Evidence

You should use your supporting documents checklist as a guide to what documents you need to self-upload or take to your appointment.

You will be able to upload copies of your documents on our commercial partner's website, or you can take your documents to your biometrics appointment to be scanned and uploaded by our commercial partner for a fee. **You do not need to send any physical documents to the Home Office or UK Visas & Immigration unless you are advised to do so.**

You have agreed to include the following documents in your application. Tick the box beside each document to confirm that you are providing it.

Mandatory documents

☐ The passport issued by India for Mrs SOPHY BIJUMON

Other documents

☐ Other evidence of Mrs SOPHY BIJUMON's reasons for absences from the UK

- ☐ Evidence of Mrs SOPHY BIJUMON's immigration status in the UK

- ☐ Declaration signed by Mrs SOPHY BIJUMON to confirm consent for the Home Office to request verification checks

- ☐ Your most recent payslip and bank or building society statement. These must be dated no earlier than one calendar month before the date of the application. The statement must show the payment, as shown on the payslip. You should not provide any additional payslips or statements, unless you are currently on maternity, paternity, shared parental or adoption leave.
  If you are currently on maternity, paternity, shared parental or adoption leave, you should provide the last payslip and bank or building society statement you received prior to the start of your leave. The statement must show the payment, as shown on the payslip. You must also provide payslips and bank or building society statements during the period of maternity, paternity, shared parental or adoption leave. The last payslip and statement must be dated no earlier than one calendar month before the date of the application.

- ☐ A document from the sponsor who issued the certificate of sponsorship that led to your last permission to stay as a Tier 2 migrant confirming that you are:
  - still required for the employment in question for the foreseeable future, and in the case of Tier 2 (General), Tier 2 (Sports Person) and Tier 2 (Intra Company Transfer) migrants this document should also contain:
  - the nearest applicable SOC code which best describes your employment
  - your current rate of pay (this should be given in the same format as given in the codes of practice, for example hourly rate or yearly salary), and
  - confirmation that this is at or above the appropriate rate for the job as stated in the codes of practice for Tier 2 sponsors. (See note 8 below)
  - if you are currently on maternity, paternity, shared parental or adoption leave, confirmation of the date this started, your salary immediately before the leave, and what your salary will be on your return.

- ☐ All previous passports, travel documents or national identity cards that you have used to travel to or remain in the UK

If you do not provide any of these documents, we may not be able to make a decision on your application. Note that we may occasionally ask you to provide other documents in addition to those listed.

Your application may be rejected if you do not provide all mandatory documents. If your application is rejected due to documents not being provided, it will not be considered and an administration fee for each person included in the application will be deducted from your refund.

Further actions

You have chosen the priority service. You must now book and attend an appointment with our commercial partner to provide your documents and your biometrics (fingerprints and facial photograph). You can do this by logging back in to your application via the link in your confirmation email and continuing to our commercial partner's website from there.

You should receive a decision on your application within 5 working days of your biometrics appointment. We will contact you if it will take longer to process your application.
